Raphael's Way is a Catholic spiritual renewal group program
focused on the spiritual wound of abortion.
The name "Raphael" means *God Heals.*
In the book of Tobit the Archangel Raphael appears as the
messenger sent to accompany young Tobias on a journey.
Raphael's mission in Scripture was to heal the heart,
the body, and the family.
The story of Tobit and his family is like
the process of recovery from abortion.
Both require choosing hope, companionship,
love and light over despair, solitude, rejection, and blindness.
Both involve prayer and learning, claiming of rights
and forgiveness of wrongs, overcoming of family divisions,
and encounter with loved ones destined by God to be yours.
Finally, it is the action of God that makes it all possible.

Registration Fee: $20 includes retreat materials, light breakfast and lunch
