YOU WITH OPEN ARMS

## **We miss you!**

The Mass is where we encounter the Real Presence of Jesus in the Eucharist, our spiritual nourishment. This is why the Mass is so essential for Catholics.

It doesn't matter how long you've been away. You are always invited to the Mass to encounter Jesus, who welcomes you with open arms.

Please know that we hold you in prayer each day.

May God bless you!

Sincerely Yours in Christ,
