Posters and advertisements are great tools for Stewardship Teams! They are meant to deliver specific messages and/or drive to purpose in a visual way. These intended messages in these pieces should be easily understood. If the audience doesn't get it, go back to the drawing board! When creating communication pieces for your parish (or for any reason), you must start by defining your reason or purpose for creating the piece. Then build the visual from there. **Do you want to:**

**Steward (stüward) - Noun**  
*Disciple* of Jesus Christ, caretaker of all God's gifts, eagerly sharing their gifts out of love of God & one another.

**Stewardship (stüward-ship) - Verb**  
*Expressing* thanks & gratitude to God through prayer, worship, offering, & action.

Our annual stewardship renewal is  
**THIS WEEKEND**  
Commit to be a steward in  
**WORD & DEED**

1) make fellow parishioners think about their personal stewardship?

2) deliver a call to action?

3) announce an event or project?

4) highlight good works of the parish?

Your light must shine before all so that they may see the goodness in your acts.  
Matthew 5:16

St. Anne's Stewardship Committee invites all members of all parish ministries to a special **Mass & Commissioning Ceremony** on **January 15 at 6:30pm**

Last year, our parishioners gave **2,000 hours** of their time & talents to our ministries. This Mass is dedicated to all our faithful stewards, & to our new ministers & volunteers as we begin a new year

Let the light at St. Ann Parish shine!
