

Faith, Hope & Courage

Dear Informal Name,

Although I was unsure how the information would be received, I knew it was important to provide our people with an update on how Church Name has fared these last few months in order to plan and move forward together. I am deeply humbled and sincerely grateful that, even in these extremely challenging times, many parishioners have responded favorably about the parish recovery effort and returned their Commitment Cards.

At times like these, we must come together as a community to ensure that our parish continues to be healthy and thriving in order to serve others.

As a registered parishioner at Church Name, I ask that you please demonstrate your support of our mission by completing and returning your Commitment Card. Your commitment remains confidential and is only used to help plan for our financial support of good works and ministry at the parish.

I encourage you to offer your prayers, consider a recovery donation if you are able, and commit to the regular use of the offertory envelopes or electronic giving. Even as we attempt to return to in person Masses and events, electronic giving is still the **easy, safe and secure** way to give to our parish in these unusual times. To schedule a recurring electronic gift please visit our website at www.church.org and follow the instructions. We are grateful to all parishioners using this method to support our parish.

Please know, we also want to make sure you know we are here for you. Information is included on the back of the card letting us know if you need us through contact or for prayer intentions.

Thank you for your participation and for all that you do to support our efforts at Church Name. May the Lord Jesus continue to bless you and keep you close to His heart.

Sincerely in Christ,
