Weekend Prior to Safe Haven Sunday

Safe Haven Sunday—Equipping the Family: Safety Through Connection

The constant flood of influence that comes through the internet and social media in all of its various forms, along with social pressures from peers make it difficult for children to live virtuous and holy lives. In the digital age, it's not a matter of if your child will see something inappropriate online. It's only a matter of when. And regrettably, internet pornography is teaching our children how and what to think about sex and marriage.

Next weekend, February 14, 2021, the Diocese of St. Petersburg will be celebrating our third annual Safe Haven Sunday. This weekend of awareness will provide free resources to you to give you confidence for how to talk to your children about internet dangers, as well as their personal online and offline choices.

Please join us with your prayers and presence as we prepare for this unique event. To learn more, visit www.dosp.org/freedom-from-porn/.

Weekend of Safe Haven Sunday

Safe Haven Sunday—Equipping the Family: Safety Through Connection

The most powerful tool we have when it comes to teaching our children about the beauty of their sexuality in the digital age is conversation. Real, honest, “look them in the eyes” conversations about their deep questions. In the digital age, passive parenting is not an option—the internet never rests.

The Diocese of St. Petersburg is setting aside this weekend, February 14, to celebrate our third annual Safe Haven Sunday in order to provide free resources to assist you with confidently talking to your children about internet dangers, as well as their online and offline choices.

Safe Haven Sunday is celebrated through prayer and reflection within the context of the Mass. Each individual and family will be given Covenant Eyes’ most recent book, *Connected: How Strong Family Relationships Lead to Internet-Safe Kids*. This book is free. Just go to www.covenanteyes.com/e-books/ and scroll down to Family Protection to find it. This book includes a free seven-day text-to-opt-in program that provides practical tips for caring adults to create safer digital environments for themselves and young people. Simply text SECURE to 66866 to begin receiving guidance today!

Thank you for celebrating with us! If you have any questions about this awareness weekend, please visit www.dosp.org/freedom-from-porn/.
