Support Our Seminarians

Our seminarians have been in a quarantine "bubble" at seminary since March of 2020, when not home on summer break. Their quarterly breaks were cancelled in order to keep them safe and healthy, so they were away from family, friends and their parish homes for an extended period of time.

Please consider supporting our seminarians through prayer, letters and cards of encouragement, care packages, or however you would like. They will appreciate it very much!

Below is an updated list of our current seminarians for your reference. Thank you!
