IMPACT REPORT

2020

Dear Brothers and Sisters in Christ,

The mission of the Catholic Foundation is to support the work of Christ in the Diocese of St. Petersburg by securing gifts, providing donor services and managing financial resources to benefit people assisted by all parish and diocesan ministries. We are entrusted to accept and grow legacy gifts to the best of our ability, and it is our responsibility to share information which demonstrates we are living up to that expectation and duty.

What follows is our annual impact report for 2020. It features details about the parishes, schools and ministries for which we shepherd long-term funds and endowments and includes our 2020 condensed financial statement. In addition, it highlights the impact our Board of Trustees and investment advisors helped us make this year, as well as the new funds we have created to better serve the needs of our donors and the parishes, schools and ministries we support.

The gifts our investors have entrusted to us are being well-utilized to save lives for Christ both now, and into the future. Together, we are bringing ministry to life throughout our five-county diocese and beyond.

Sincerely in Christ,
Meegan Wright, Executive Director
The Catholic Foundation

Transparency & Accountability

As stewards of the legacy gifts so generously given, the Catholic Foundation is committed to transparency and accountability.

The Catholic Foundation of the Diocese of St. Petersburg operates on a fiscal year calendar of July through June. Therefore, all impact numbers and information provided in the 2020 Impact Report represent results and balances as of June 30, 2020. For current information on fund performance, contact foundation@dosp.org.

In addition to reporting impact information to donors, the Foundation is subject to a financial statement audit each year. The audited financial statements for the year ended June 30, 2020 along with the accompanying footnotes are available for review at www.catholicfoundation.org/2020-impact-report.

Unlike traditional current operational fundraising efforts made by most non-profits, our Board has made a conscious decision to assist those we serve and further the work of the Church with long-term funding needs. Within our fundraising costs is also local level stewardship education to encourage devoted supporters of parishes, schools and ministries to create endowments and other funds to sustain and grow ministry over the long-term. We do not charge for fundraising or other consultations, and therefore, our fundraising costs reflect that investment in the services we provide.

Performance & Distributions

These charts show 5 years of performance and distributions for all funds within the Catholic Foundation.

Since 2016, the total invested and managed in endowments and long-term managed funds has grown from \$31 to \$42 million, an increase of almost \$11 million. This increase can be attributed to both an increase in the number/amount of funds held as well as healthy performance overall. The performance chart to the right shows the steady rate of increase in our portfolio with a slight decrease between June 2019 and June 2020 resulting from the global market fluctuations in reaction to the pandemic between March and June.

2016 = \$31M

2020 = \$42M

The decrease in earnings is reflected in the projected decrease in distributions for managed funds from \$1.83 million in 2020 to \$1.8 million in 2021. **What is vital to keep in mind, is that the purpose of endowed and long-term investments is to receive distributions in both good times and bad, even in market downturns. In 2020-2021, our beneficiaries can count on receiving \$1.8 million.**

Maintaining & Growing Existing Funds

The Catholic Foundation of the Diocese of St. Petersburg was formed in 1997 for the purpose of developing and establishing gifts that are restricted and/or endowed to benefit the ministries of the Diocese, its parishes, schools and other institutions. With that focus, we promoted and sought to build three specific types of funds for just over 20 years: Charitable Gift Annuities, endowments and annual event fundraising.

Charitable Gift Annuities

A Charitable Gift Annuity (CGA) is a type of planned gift that allows a donor to receive fixed payments from an amount of invested principal throughout their lifetime and leave the remainder to a Catholic parish or ministry, or a not-for-profit outreach entity of their choice upon their passing. **The Catholic Foundation is licensed to accept and administer CGAs, and currently holds 34 CGA contracts totaling \$1.4 million for 26 beneficiaries.**

Below is a complete list of the parishes, schools and organizations currently named as CGA beneficiaries:

- Bethany Center, Lutz
- Catholic Charities, DOSP

Endowments

Endowed funds established through the Catholic Foundation ensure that the corpus (or original donation amount) is preserved and grows with inflation, while a portion of the income earned on the investment is distributable for use each year for the beneficiary. Endowments are excellent vehicles for donors wishing to provide long-term support for parishes, schools and larger diocesan ministries, especially in the areas of building maintenance and future repairs, ongoing funding for major programs or outreach efforts, tuition assistance, scholarships and much more. In 2020, the Foundation managed 72 endowed and perpetual funds totaling \$11,657,575.

Annual Gala

Each year, the Foundation plans and hosts a signature event for the Diocese of St. Petersburg. Historically, this event has been the primary source of annual fundraising for the Foundation and has allowed us to raise millions to support Catholic education tuition assistance programs. During the planning stages of the 2020 Gala, Bishop Parkes asked the Board to consider expanding the potential beneficiaries of our Gala fundraising to include the goals of our diocesan mission, *Courageously Living the Gospel*. The Board enthusiastically accepted.

The 2020 Gala raised \$455,530 from event sponsorships and direct donations from participants. Because the event is funded by these sources, the net proceeds totaling \$314,000 was divided into two grants:

- + \$200,000 to support families seeking tuition assistance for our Catholic schools through the CSTAG program
- + \$100,000 to future youth and young adult initiatives

\$314K
Amount raised through
2020
Gala

As we embark on a new year, the Catholic Foundation is making changes once again. Taking into account the current status of the pandemic and concern for the safety of potential guests, a live event will not be held in 2021. Instead, the Catholic Foundation is moving forward with a Giving Challenge, inviting all past supporters and those interested in joining the cause to make direct gifts. **A key consideration for 2021 is that with no event expenses, 100% of each donation will provide direct benefit and is fully deductible by the donor for tax purposes.** For more information about the 2021 Giving Challenge, please contact the Catholic Foundation at foundation@dosp.org.

Expanding Our Offerings

After demonstrating more than 20 years of success in stewarding perpetual funds and CGAs, the leadership of the Catholic Foundation made a conscious decision to expand services and fund options to better support those we serve and the donors seeking new ways to make a difference in the life of our Church through consultation services and three new investment opportunities.

Consultation Services

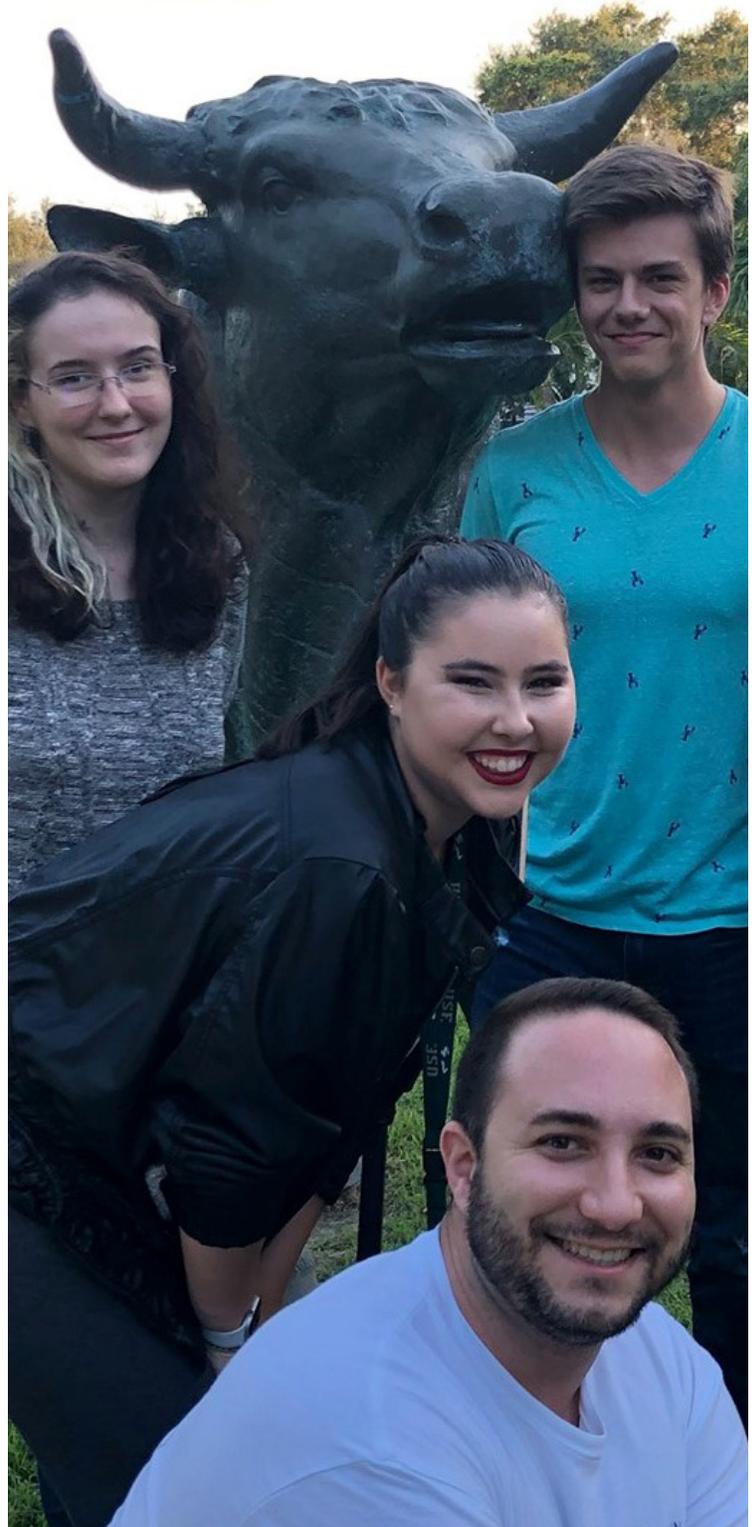

A key element in our expansion plan was to offer the extensive development experience of our staff to the entities we serve at no charge. In 2020, we expanded our scope to include major gift consultation and assistance to grow legacy giving and overall stewardship within communities, as well as life planning workshops and Legacy Society development.

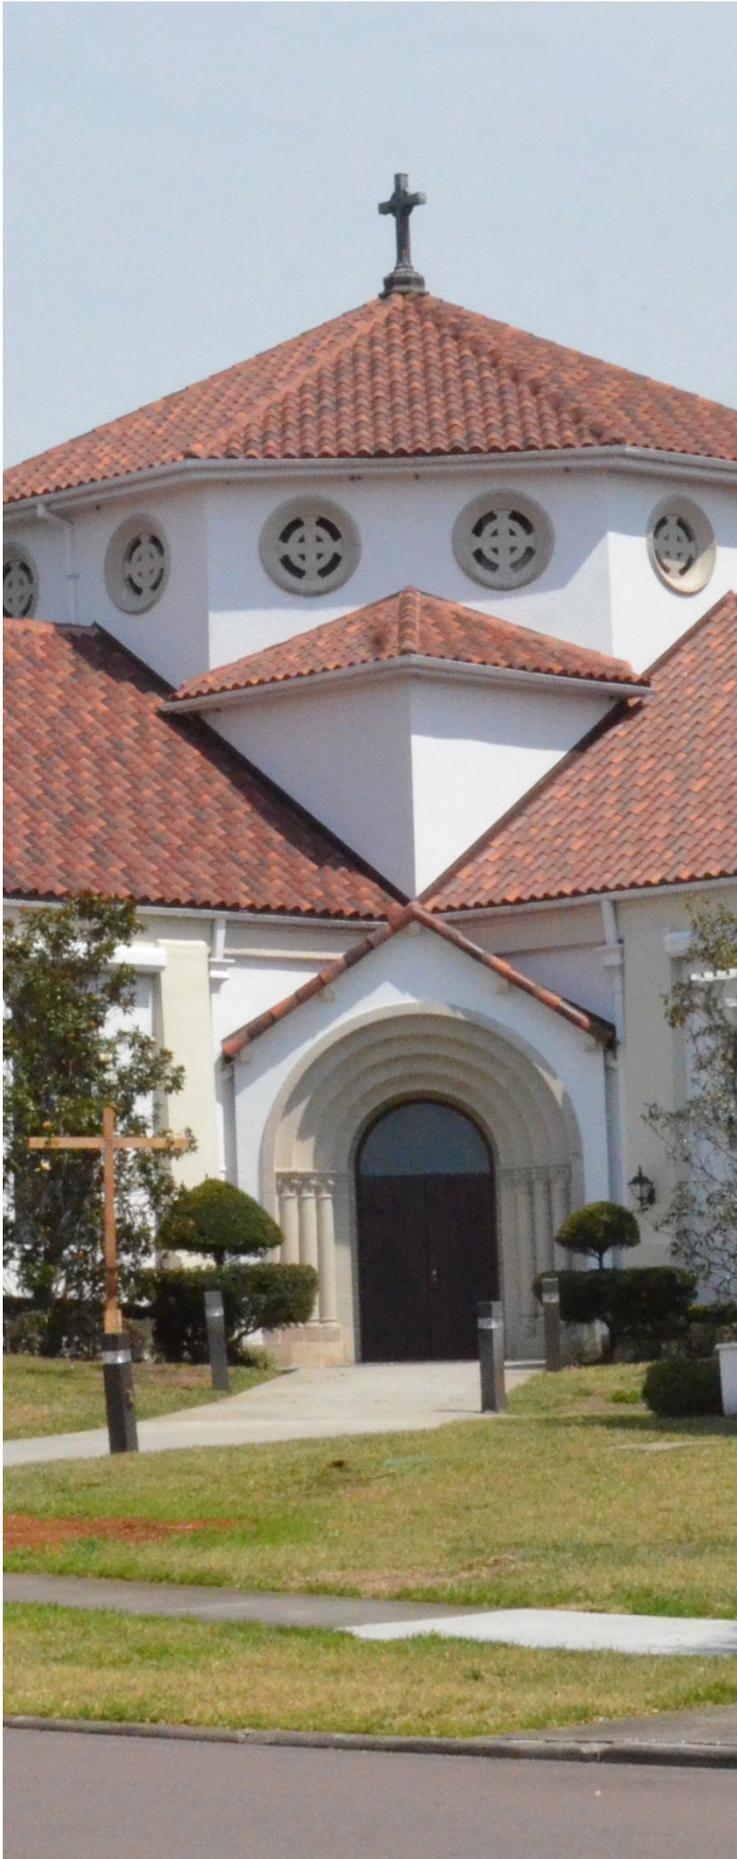

To date, Foundation staff is providing in-kind consultation services to:

- Catholic Charities, DOSP
- Catholic Student Center, USF
- Prince of Peace Catholic Church, Sun City Center
- St. Cecelia Catholic Church, Clearwater
- St. Joseph Catholic Church, St. Petersburg
- St. Stephen Catholic Church, Riverview

**6 ministries &

Life Funds

Through a Foundation *Life Fund*, donors can make a gift to their intended beneficiary parish, school or ministry for one of five designated purposes. These funds will be invested in a professionally managed, diversified portfolio, and the beneficiary can opt to receive distributions or roll the earnings back in for more investment power. The idea is to allow 5 years for solid growth, but if an emergency occurs, the beneficiary's leadership can close the account after a 1 year investment period.

In 2020, the Foundation did not receive donations to start a *Life Fund*. However, we are eager to discuss this option with any potential donors wishing to establish one.

Bequest Funds

A Foundation *Bequest Fund* is established through a distribution from an estate. These funds will earn a market rate of return and the beneficiary can opt to receive distributions or roll the earnings back in for more investment power. As with a *Life Fund*, the idea is to allow 5 years for solid growth, but if an emergency occurs, the beneficiary's leadership can close the account after a 1 year investment period.

The Catholic Foundation is pleased to report that five parishes established *Bequest Funds* in 2020:

Cathedral of St. Jude the Apostle, St. Petersburg
Our Lady of Grace Catholic Church, Beverly Hills
St. Cecelia Catholic Church, Clearwater
St. Francis of Assisi Catholic Church, Seffner
St. Thomas the Apostle Catholic Church, Homosassa

For more information about how to leave a bequest to your parish, school or a diocesan ministry through a Bequest Fund, please contact the Catholic Foundation.

Donor-Advised Fund

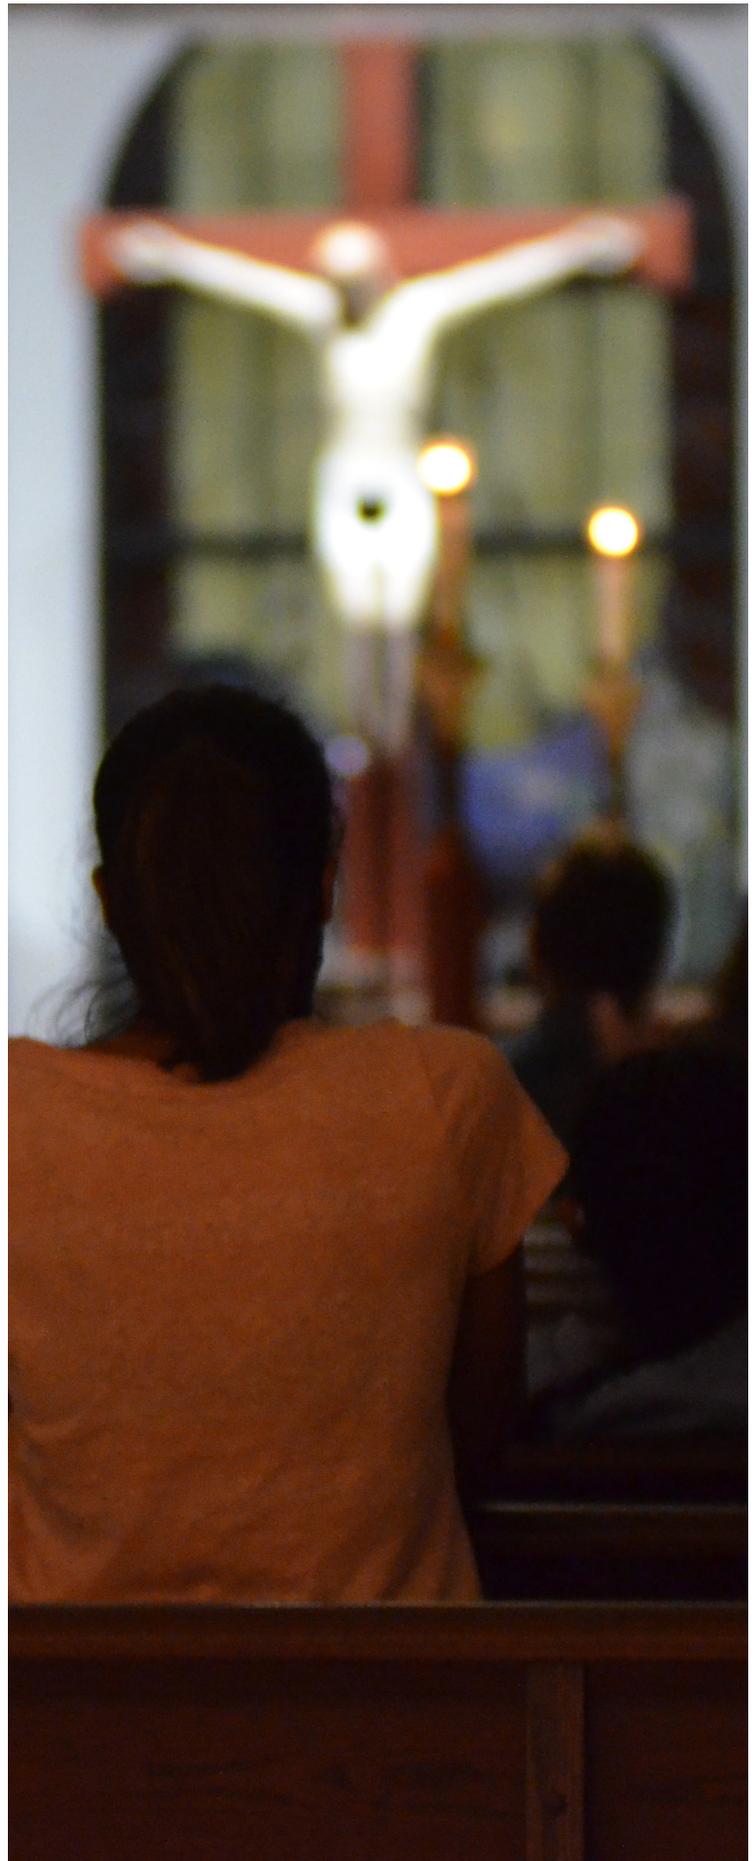

Widely recognized as the fastest growing vehicle for charitable giving, donor-advised funds (DAFs) offer multi-generational giving solutions for donors and their families at all stages of life and creative solutions to help parishioners and their benefactors support the causes closest to their hearts. As of November 1, 2020 the Catholic Foundation has offered our Donor-Advised Fund, allowing donors to make multiple contributions supporting a variety of not-for-profit organizations that share our Catholic values and beliefs. These funds are available for distribution over multiple years while receiving an immediate tax deduction.

Since its launch, we are pleased to report that **three donors have opened DAFs** through the Foundation. We look forward to promoting and growing this new program.

The *Mater Dei* Giving Society

Since 2018, the Diocese of St. Petersburg has been *Courageously Living the Gospel*, our diocesan mission statement which defines who we are and how we live our faith as Church. In appreciation of those who have supported our mission in exemplary ways, Bishop Parkes launched the ***Mater Dei* Giving Society** on November 9, 2020, at a special live stream event featuring evening prayer and conversation.

Named in honor of our Blessed Mother, the ***Mater Dei* Giving Society** recognizes those helping our diocese put our faith into action so the world can see who we are by the good works we do in Christ's name. The Giving Society features three circles of recognition:

- + the ***Mater Unitatis (Mother of Unity) Circle*** recognizes gifts of \$5,000 or more to the Annual Pastoral Appeal, Spirit FM 90.5, Catholic Charities and/or the Catholic Foundation in 2019 and/or 2020.
- + the ***Mater Caritatas (Mother of Charity) Circle*** recognizes sustained giving for 10 or more years of any amount to the Annual Pastoral Appeal, Spirit FM 90.5 and/or the Catholic Foundation.
- + the ***Mater Spei (Mother of Hope) Circle*** recognizes those who have shared that they have already or will establish legacy gifts from an estate or through a beneficiary designation, or have created an endowment, perpetual fund or purchased a Charitable Gift Annuity in support of a parish, mission, Catholic school, Catholic Charities, Spirit FM 90.5, the Catholic Foundation and/or diocesan ministries within the Diocese of St. Petersburg.

The 2020 *Mater Spei* Circle Members

The *Mater Spei* Circle is directly tied to Catholic Foundation donations and gifts. Once the Catholic Foundation accepts a specialized legacy gift or receives notification of an estate/beneficiary commitment, the donor automatically becomes a member of the *Mater Spei* Circle. And, like the gifts donated through the Foundation, membership is for this lifetime and beyond. We offer heartfelt thanks to those who have taken this step to preserve the future ministry of our Church, and look forward to welcoming additional members in future years.
