A Better Way to Email & Text Message

1. Parishioners can receive faith updates via email or text and your updates get posted to social media and your website automatically.
2. The “Text to Join” feature makes it easy to subscribe to your updates.
3. Your community will know what's happening at your parish and share the Good News with others!
4. The partnership with the Diocese of St. Petersburg makes it extra affordable and you receive extra training & support.
5. It's secure, private and safe-environment compliant. Messages are archived for reference.
