Featuring

Presenter

Mike Cusick is the President and CEO of Mission Pathways. After over 13 years at ParishSOFT, with the Mission Pathways team and our parish partners, Mike is passionate about applying technology to assist the Catholic Church in evangelizing and forming vibrant communities of faith.

~~~~Focus Presentation/Interaction & Conversation~~~~

Mission Pathways' web-based software – the Mission Suite – is a complement to your church management system. Mission Suite is a comprehensive event and group management tool with one purpose – to build individual's faith journeys as they participate, volunteer and lead.
