TO: All Regular Full-time & Regular Part-Time Employees
FROM: Valerie Burns, Insurance & Risk Management Office
SUBJECT: DOSP – Employee Safety Program – Shoes for Crews.
DATE: March 16, 2022

In addition to your effort to be more safety conscious, we have been successful with our Shoes for Crews program. In our ongoing effort to continue to reduce our employee accidents, we have again partnered with Shoes for Crews to offer our employees safe, slip resistant footwear.

With our Shoes for Crews program, Regular Full-time & Regular Part-time employees are eligible for a one-time subsidy of \$50.00 to purchase shoes through the Shoes for Crews website (www.shoesforcrews.com/dosp) . Employees must enter through this site to receive a subsidy. The current Shoes for Crews campaign will end on December 31, 2022.

Please see the attached flyer for registration and log in information.

Please note: This is a “per employee” program, as such, if you work at multiple entities you are only eligible for one subsidy during the current program (January 1, 2022 – December 31, 2022).

Please direct all questions about the program to me. We are pleased to make this program available and we hope you will be able to take advantage of this opportunity.
