Synod on Synodality Final Report

Next Steps

Through the Synodal Process, the Diocese of St. Petersburg identified three immediate areas the Holy Spirit is inviting us to address in order to grow in our “journeying together.” These areas are an outgrowth of what we heard during our Synod Listening Sessions, and follow the Synodal themes of Communion, Participation, and Mission.

1.

Communion: Fervently Work on Communication with our Parishes and the Faithful

We will take steps to open lines of communication and be more collaborative.

2.

Participation: Increase Collaboration Among Clergy and Laity

Planning processes and training will be provided to parishes and schools on best practices for consultation and collaboration among lay disciple volunteers, lay ecclesial ministers, and clergy through pastoral councils, commissions, boards, and committees.

3.

Mission: Expand the Transformational Parish Growth Summit

Faith leaders will work throughout the next few years on concrete ways to invite people to Church and engage them more fully as disciples.
