

Frequently Asked Questions

Parish Planning Meeting #1

1. How are the operating costs of the Pastoral Center funded?

The Pastoral Center operating budget is funded through three major sources:

- Diocesan ministries and services are funded through voluntary donations to the **Catholic Ministry Appeal**.
- Administrative functions that serve our parishes, schools and ministries such as Human Resources, Accounting and IT will be supported through earnings from a trust.
- The Bishop and leadership efforts of the Diocese are funded through a 2% Cathedraticum tax that is calculated and submitted by the parish each month based on their financial statements.

2. Why the three funding sources?

In 2021, after much consultation and review, a task force of pastors voted unanimously to implement this new financial structure for our parishes, donors and the Diocese. It lessens the financial burden on parishes, allows 100% of donor contributions to go toward ministries instead of administration or leadership costs.

3. How does my parish participate in the Catholic Ministry Appeal?

Parishes are expected to participate in the **Catholic Ministry Appeal** by following the timeline, promoting the appeal to parishioners and conducting a robust in-pew appeal at the appropriate time. *If a parish does those things, there will be no assessment for ministry if the parish does not achieve its goal for the Catholic Ministry Appeal.*

4. What role am I being asked to take on for the Parish Leadership Team?

All parishioners will be invited in various ways to participate and contribute to the **Catholic Ministry Appeal**. You have been asked by your pastor to assist in rolling out what is known as a “Best Effort”, or various ways of inviting all parish families to take part in the new appeal through various methods of communication.

5. What types of ministries are funded through the new Catholic Ministry Appeal?

The appeal funds shared Catholic ministries and services that no single parish could accomplish on its own. Some of these include Catholic Charities, vocation promotion, seminarian support, campus ministry efforts and the Lay Pastoral Ministry Institute. For a full listing, please visit www.dosp.org/catholicministryappeal/.

6. When will the 2023 appeal start?

The active phase of the appeal will start in January. The Office of Stewardship and Development will provide tools (including this Frequently Asked Question handout!) and pre-drafted communications to assist pastors, staff, lay leaders and donors in implementing the new **Catholic Ministry Appeal**. All tools and materials are available at www.dosp.org/catholicministryappeal/2023parishresources.

7. What is the overall goal for the 2023 Catholic Ministry Appeal?

We raised almost \$8.9 million in commitments in 2022. Therefore, the goal for 2023 will be set at \$8.5 million, of which each parish will have a portion.

8. What will be our parish goal for the 2023 Catholic Ministry Appeal?

Individual parish goals are based on the approved formula for looking at parish assessable revenue:

Offertory
Plus Donations
Less School Support up to \$100,000
= Assessable Revenue
Times 14.0%
= Catholic Ministry Appeal Parish Goal

9. What happens if my parish doesn't reach its goal for the appeal?

Every pastor is expected to put forth his "best effort" toward the **Catholic Ministry Appeal**. This includes following the timeline provided by the diocesan Stewardship and Development Office, promoting the appeal to parishioners and conducting a well-organized and robust in-pew appeal at the appropriate times. If a parish does those things but does not achieve its goal for the appeal, it will not be responsible for paying for the shortfall. *Bishop Parkes has the utmost confidence that our priests and parish staff will put forth their best efforts to promote the new appeal to parishioners and invite them to help support our shared Catholic ministries and services.*

10. What happens if the overall appeal doesn't reach its goal?

All diocesan ministries and services will live within the budget of what is contributed each year to the **Catholic Ministry Appeal**. The more successful the appeal, the more ministries and services we can provide to our Catholic families and those most in need in our diocese. If the **Catholic Ministry Appeal** falls short of its goal, there will be less funds to provide ministries and services. Based on response in 2022, we don't believe this will happen – with a parish best effort and strong, informative communication provided to our donors showing the impact of their gifts, we believe the **Catholic Ministry Appeal** will be successful.

11. What is the formula for the 2% Cathedraticum tax?

Offertory
Plus Donations
Less School Support up to \$100,000
= Assessable Revenue
Times 2.0%
= Cathedraticum

12. Are there any other collections that will not be assessed?

Yes. These are NOT included in the new assessment formula:

- Capital campaigns that have been approved by Bishop
- Debt Reduction Collection
- Bequests
- Grants and restricted donations that are part of an approved assessment-exempt campaign
- Fundraisers
- Catholic Ministry Appeal donations
- Approved collections such as Mission Sunday Collection and Mission Co-op collections
