Safe Haven Sunday: Equipping the Family, Healing Marriages and Fatherhood

The family home should be a safe haven, but the inappropriate use of technology in the home deprives it of this role and is the greatest threat to the sanctity of marriages and families today. Pornography and other online threats are often one click away, and parents can feel overwhelmed with not knowing how to best protect their children in our fast-paced digital world.

Next weekend, August 26-27, 2023, we will observe Safe Haven Sunday. This awareness day will provide access to resources that caring adults can use to protect themselves and our young people from online risks. Please join us with your prayers and presence as we prepare for this unique event. To learn more, please visit www.dosp.org/freedom-from-porn.

For Use the Weekend of Safe Haven Sunday (August 26-27, 2023)

Safe Haven Sunday: Equipping the Family, Healing Marriages and Fatherhood

The Diocese of St. Petersburg is setting aside this weekend as Safe Haven Sunday to address the sin of pornography and other online threats to marriages and family life. After Mass, pick up one of two business cards – *Restored Vows* or *Strive*. The QR codes will allow you to access materials to help marriages recover from the damage done by pornography or gain access to a 21-day challenge for men struggling with pornography addiction.
