

Five Reasons to Attend Eucharistic Encounter
Saturday, September 16th

1. Tickets are only \$5! Where else can you go in Tampa that includes food, music, speakers, *and* parking for only \$5. Exactly.
2. All of the speakers are nationally known for their knowledge and charismatic presence. If you're on Instagram, you will especially appreciate Father Tim Anastos who is a social media influencer with his series, "Reel Homilies."
3. This will be a unique experience. This event is focused on showcasing truth, beauty, and goodness in a fresh way that will resonate with the culture. Other unique aspects of the event are the venue, the music, multi-media elements, and elaborate hospitality.
4. Pack more prayer into your life! There will be plenty of prayer experiences, including Mass with Bishop Gregory Parkes, Adoration of the Blessed Sacrament, Veneration of Relics and a Eucharistic Procession.

5. Learn something new! There is always something new to learn and this is an opportunity to learn more about how we can connect more with Jesus and with the Body of Christ, (that's each of us).
