If this is done, the secondary insurance will be billed by the medical providers with the necessary forms.
4. Failure to provide itemized medical bills and the primary insurance Explanation of Benefits will cause a delay in the claim process.

To the Participant/Parent/Guardian:

Attach current itemized physician, hospital, or other provider's bills for accident medical expenses being claimed as well as the primary carrier's Explanation of Benefits showing their payments and denials. These bills must show the patient's name, condition (diagnosis), type of treatment given, date the expense was incurred and the charges made.
