## FORMAL PETITION FOR A DECLARATION OF NULLITY

**Important:** It is and remains the policy of the Tribunal, since November 10, 1989, not to accept Petitions for a Declaration of Nullity of Marriage until at least one year has elapsed from the date the civil divorce was granted. When two or more marriages have been contracted, whether in or outside the Church, it is the policy of the Tribunal not to accept these Petitions until at least two years have elapsed from the date of the most recent divorce.

v: I-2023

Dear Petitioner,

*Our Lord Jesus is a Gentle Judge and a Merciful Shepherd of Souls. Thus, I invite you to see the process of petitioning for nullity as a spiritual journey and healing remedy. Marriage is a sacred institution and divorce is always a personal tragedy for two people who entered marriage with love and good intentions regarding permanence and fidelity. With the eyes of faith, however, we can discover the truth that sets us free.*

*Marriage involves two persons as well as the public good. Thus, it is necessary that the process of marriage nullity - which you are about to undertake - needs to be formal and respectful to the rights of all. I encourage you to welcome the participation of your former spouse and foster as much amicability as possible. The Tribunal is obligated to contact your former spouse and hear him or her. If you cannot provide contact information for the respondent, the Tribunal must do a thorough search for that information.*

*Recalling the circumstances that led to your marriage, recounting the difficult moments of a common life, and naming the reasons for a divorce can be painful. Perhaps too, you are eager to begin a new life with another person whom you have come to love. These realities can lead to an undue focus on the time it takes to process a marriage case. You are encouraged to give your attention to the spiritual good that will come from a careful examination of the prior union. This emphasis helps one be more patient as well as to taking the time needed for you and the Tribunal to arrive at a decision that brings genuine healing and peace.*

*A petition that is both honest and healing begins with your Parish Priest, Deacon, or appointed Parish Minister, who will help you to fill out the paperwork and provide a clearly written narrative of your marital history. The Judges need to understand what transpired before and during the marriage. This involves careful reflection for the petitioner, the use of hindsight, and a willingness to be candid about the problems that you and your former spouse confronted in marriage. Pray for the courage to take responsibility for your own mistakes and human weakness. The questions in the marital history are designed to uncover the truth. Yes-or-no answers, generalizations, bullet points, or repeating the same thing over and over are not adequate ways for a good marital history. Often it is helpful to pause for a time, refresh your memory, and insure you understand the question asked.*

*You will be asked to name witnesses. These persons should be people who knew you before you were wed. They also ought to be people you know will be honest and forthcoming with the Tribunal. Family members are often good witnesses. However please encourage witnesses to open-up and answer the questions asked of them with candor and forthrightness.*

*While the process of seeking a decree of nullity can seem cumbersome, be not afraid! If you engage it with honesty and genuine faith, the experience will prove very healing. The Tribunal is here to help the faithful arrive at a just decision about their marriage. May God bless you!*

Sincerely yours in Christ,

## GUIDELINES FOR STARTING A MARRIAGE NULLITY CASE (FORMAL PROCESS)

### WHERE TO BEGIN

To begin the process, please contact your local Catholic parish. A parish priest or deacon will provide assistance to you and be your advocate throughout the process. Complete this form in its entirety, trying to provide an accurate picture of what occurred prior to and during the marriage. Once you have answered all the questions to the best of your ability, it is advisable to set them aside for a few days, so that if further additions come to mind, these may be added. The party presenting the petition is called the Petitioner. The other party (your former spouse) is called the Respondent.

Church law and justice requires that the Respondent be contacted and given the opportunity to participate in the process. The parties are rarely asked to appear in the Tribunal and never together.

### THE PRELIMINARY FORMS

**The Formal Petition ("Libellus"):** Through the Formal Petition, also known as a "*Libellus*," you formally request the Tribunal of the Diocese of St. Petersburg to examine the status of your marriage in light of the teachings and the laws of the Catholic Church.

**Petition for a Declaration of Nullity:** This petition is fundamentally an interview on paper. Your statement should present a comprehensive account of your background, your courtship, the marriage, and the separation. **It is the Petitioner's responsibility to make every reasonable attempt to locate the present name and address of the Respondent and to submit both to the Tribunal.**

Internet searches are helpful and background checks are available on-line for a fee (at your expense). If this information cannot be provided, documentation of the efforts that were made to locate the Respondent must be included in this petition. The Tribunal will then determine if the case can proceed without the Respondent's current contact information. Please be aware that the Tribunal may also attempt to locate your former spouse; however, this may delay the beginning of the case. **As a pastoral practice in the United States, the Tribunal will not accept a petition for nullity before a civil divorce decree has been issued, since it is regarded as proof that there is no hope of reconciliation between the parties.**

### **Required Documents:**

The following documents **must** accompany your petition. The unexplained absence of these documents will prevent the opening of the case.

1. **Baptismal Certificate** - An original, recent certificate (issued within the last 6 months and showing all notations) of the Catholic/Orthodox party(ies).
2. **Marriage License/Certificate** (Church and/or civil)
3. **Final Civil Divorce Decree**
4. **Completed Nullity Petition Form** (this form)
5. **Marriage Narrative**
6. Other pertinent documents or reports that may serve as evidence (e.g. medical or police reports, etc.)

Be certain you (and your Advocate) have reviewed your petition for content and have signed it in all the applicable places. The petition and supporting documents should then be mailed to the Tribunal by your advocate. It is recommended that you keep a copy of the petition and all documents you submit for your records.

**Witness Testimony:** Marriage takes place in the context of a community, and so other persons will be asked to provide the Tribunal with information from their vantage point (witness testimony). Witnesses will be contacted by us in writing and asked to complete a short questionnaire. In order

to have a clear picture of both parties and of the marriage, please list persons who knew you and/or the Respondent **before** the marriage or **early** in the marriage, and who may have knowledge of family backgrounds, childhood, or marital situation. Please make an effort to include at least 2 to 4 witnesses. Complete contact information of proposed witnesses is required. Only the names of the witnesses (but not other personal information) may be given to the Respondent. We suggest that you **contact all persons prior to listing them as witnesses** to ensure that they are willing to cooperate. One of the biggest delays in nullity cases is caused by the failure of witnesses to respond. Ordinarily parents and siblings are good witnesses, but not all your witnesses should be your family members. In general, children of the union are not used as witnesses.

**Counseling Reports/Experts:** When either you or the Respondent have seen a counselor, psychologist, or psychiatrist, prior to or during the marriage, the Tribunal may ask you to obtain a confidential summary from these individuals or institutions. You will be advised if this step is necessary. In addition, some expert opinions might be required by the Tribunal (e.g., from a medical doctor). Fees associated with these experts' opinions are the direct responsibility of the parties.

**Tribunal Fees:** There is no cost to the parties. Formerly, petitioners were asked to cover a portion of the costs as a matter of justice, but Pope Francis has asked for all judicial processes be made free to the parties so that costs – and any misconceptions about costs – do not prevent any of the faithful from exercising their rights. Of course, there are significant costs associated with a labor-intensive legal process like the marriage nullity process. Petitioners are therefore asked to remain diligent in their support of the Church through the Catholic Ministry Appeal.

**Review by the Judicial Vicar or Judge:** Once your petition is received and accepted by the Tribunal, the Judicial Vicar reviews the materials you have submitted, assigns the judge(s) to the case, determines possible grounds to be investigated, and what other information may be required.

**The Citation:** The Petitioner and the Respondent will be cited by letter of the Judicial Vicar. The Respondent is invited to participate in this process to the extent he/she wishes. The citation letters indicate your **Case Name and Protocol Number**. Please have this information available whenever you contact the Tribunal so that our staff can quickly locate your file and refer you to the proper case coordinator.

**The Grounds:** The proposed canonical grounds are determined by the Tribunal using Catholic Church law (canon law). They do not pertain to civil (secular) law. The grounds must be some defect or incapacity regarding the matrimonial consent of one or both parties, or some canonical requirement or impediment which had not been properly dispensed for a Catholic spouse. Please note that the recent changes promulgated by Pope Francis do not introduce new grounds for nullity cases.

**The Decision Process:** After the testimonies and other information is gathered, the case is reviewed by the Judge to determine if there is sufficient evidence to move the case forward. The parties will be notified by letter when the case is nearing conclusion and they will have a final opportunity to read the Acts of the Case [all testimony pertinent to the case] and submit any additional information.

This must be done within fifteen (15) business days of the date of that letter. The case is then reviewed by the Defender of the Bond who gives written comments supporting the matrimonial bond. Once these comments are received, the entire case is reviewed by the Judge or Judges, and a decision is rendered. Both parties are then notified of the decision.

**Appeals:** The Petitioner, Respondent and Defender of the Bond each have the right to appeal the decision of the Court of First Instance to the Court of Second Instance. The parties may also appeal directly to the Roman Rota. If the Petitioner or Respondent wishes to appeal, the fee is the responsibility of that party.

**Restrictions/*Vetitum*/*Monitum*:** If the Tribunal is concerned that the difficulties which contributed to the breakdown of a couple's interpersonal relationship remain unresolved, the Judge(s) may require specific action before another marriage in the Church can take place. If the Tribunal considers that these difficulties could impact a future relationship, a restriction [*vetitum*] or a warning [*monitum*] will be added to the declaration of nullity. This may apply to the Petitioner, the Respondent or both parties. **This is not intended as a punishment**, but rather a help to the party so the he/she does not end up in a similar situation in a new marriage. Those with a restriction may be required to undertake further counseling. A restriction must be lifted by the local Bishop or Judicial Vicar before a priest/deacon can proceed with wedding plans.

**Time Frame:** Each nullity case has its own unique circumstances, and therefore a definite time frame cannot be guaranteed. The time involved is governed by requirements of canon law and by the cooperation of the parties and their witnesses. The Tribunal strives to complete each case in a timely manner and in accordance with canon law. It is extremely important that you notify the Tribunal of any changes of address for yourself and/or the Respondent, and changes of addresses for the witnesses. **It is of utmost importance that you DO NOT schedule a wedding until the annulment process is finished and you have received an affirmative decision (the nullity of marriage has been proven).** **The Tribunal cannot guarantee the time needed nor the outcome of the formal case.**

**Status Inquiries:** Because the time frame of the process cannot be guaranteed, status updates are generally not given. The Tribunal staff is available to answer your questions regarding your case or the process in general. For reasons of confidentiality the specifics of your case can be discussed only with you, your Advocate, or the Respondent. You can contact the Tribunal by mail or e-mail ([tribunal@dosp.org](mailto:tribunal@dosp.org)) at any time, or by telephone (727-341-6858) Monday through Friday, 8:30am – 4:30pm.

## PART III PETITIONER'S TESTIMONY (marriage history)

### PLEASE READ THE FOLLOWING BEFORE CONTINUING

All petitions MUST include testimony from the Petitioner on separate paper (preferably typed and no longer than 15 pages). This provides insight into you and your former spouse, the factors that may have influenced each of you in your decision to marry, and the marriage itself. Please respond to each of the following questions as they apply to you and your marriage. A direct and focused response helps to avoid delays in the proceedings. **A simple "yes" or "no" answer to a question is not sufficient.**

## PART IV TRIBUNAL PRACTICES AND POLICIES **AGREEMENT OF UNDERSTANDING**

The primary purpose of the Tribunal is to gather and evaluate evidence in order to discover the truth regarding a marriage. Out of respect for the human dignity of persons and the sacred nature of marriage, the Tribunal is required to presume each marriage is valid, and that you and the Respondent both meant what you said and accomplished what you intended when you first exchanged vows, until it is proven otherwise. Declarations of nullity are not favors given to innocent or deserving parties. Judges must have moral certitude, based on the available evidence, that your union was missing one of the essential elements for marriage. In the absence of such certitude, the Judge(s) must rule in the negative – that is, nullity has not been proven. In presenting a petition for a declaration of nullity of your marriage, you are asking that your marital status be reviewed in the Catholic Church. The Tribunal is an ecclesiastical court of law, and its proceedings are exclusively religious in nature. These proceedings are governed solely by the laws of the Catholic Church. The following statements explain Tribunal practices and policies, and by your signature on this petition you indicate your understanding and your agreement to abide by them.

### **PLEASE READ CAREFULLY AND THOROUGHLY BEFORE SIGNING TO CONFIRM YOUR UNDERSTANDING:**

#### **CONCERNING CONFIDENTIALITY**

- I understand that it is required by the Tribunal to report to proper authorities any indication of sexual abuse of minors and/or vulnerable adults.
- I understand that due to the sensitive nature of information gathered in this process, all the information gathered in the course of the investigation is considered confidential and the exclusive property of the person submitting the pertinent information and the Tribunal of the Diocese of St. Petersburg.
- I understand that this information is never made available, except as required by Church Law, for inspection by the Petitioner, the Respondent, and the officers of this Court and the properly designated ecclesiastical Court of Appeals.
- I understand that this information is never made available to the witnesses or anyone acting on their behalf.
- I understand that in accord with applicable professional standards, reports from psychological counselors are always withheld from the Petitioner and the Respondent. For serious reasons (such as the avoidance of physical danger or public scandal), witnesses may ask that their testimony be withheld from the Petitioner and/or the Respondent. The decision whether to withhold any testimony, however, belongs solely to the ecclesiastical Judge acting in accord with the requirements of canon law.

#### **CONCERNING THE RESPONDENT**

- I realize that Church Law requires that the Respondent be contacted and offered the opportunity to testify.
- I agree to make every effort to locate the Respondent so that he/she can be contacted by the Tribunal to participate in the process.
- I understand that I am not required to have direct contact with the Respondent, unless I feel it is in my own best interests to contact him/her and encourage his/her response.
- I also understand that the Tribunal strongly encourages the Petitioner to inform the Respondent in advance of filing their petition (as experience shows they tend to be more cooperative).

#### **CONCERNING THE WITNESSES**

- I understand that the witnesses are necessary to process my petition for a declaration of marriage nullity.
- I agree to make every effort to encourage their cooperation but understand that I am in no way to assist or influence them in preparing their testimony.

#### **CONCERNING THE DEVELOPMENT OF THE TRIAL AND PLANS FOR A FUTURE MARRIAGE**

- I understand that no assurance can be given of an Affirmative decision (that is, one granting a declaration in favor of nullity).
- I understand that no assurance can be given as to a definite time for the completion of the Tribunal process.
- I understand that the Tribunal may require that I attend one or more sessions with a court approved expert in order to provide the court with an expert's evaluation regarding certain grounds of nullity. I am responsible for all expenses in connection with such an evaluation.
- **I understand that ABSOLUTELY no arrangements can be made, and no date scheduled for a future Catholic marriage or convalidation (not even a tentative date) until after I have received a final notification that a declaration of nullity has been granted and that no restrictions are attached to it.**

- I understand that if the circumstances causing the invalidity of the marriage so indicate, the Tribunal may require that I seek professional counseling before any subsequent marriage in the Catholic church is permitted. Expenses in connection with such therapy or counseling are my responsibility.

**MANDATE FOR THE PROCURATOR/ADVOCATE**

- By the signature of the priest/deacon/lay minister on this document I hereby agree to as being my Procurator/Advocate. To that person, I concede the faculty of doing and performing in my name all that may be necessary and useful to my interests in this case.
- This Mandate includes the full right to delegate a substitute, authorization to review the published acts on my behalf, as well as authority to perform other duties required throughout the process.

**WAIVER OF THE PETITIONER**

- I am aware that an ecclesiastical declaration nullity HAS NO EFFECT ON CIVIL LAW in the United States or any one of its fifty states, the District of Colombia or any of its territories. Thus, I understand that any determinations made by civil authorities with regard to custody, support, or visitation with children, or with regard to any property or obligations stemming from the marriage, remain in full force.
- By means of this document, I promise that I will institute no litigation before any civil jurisdiction or for any cause related to the substance of the Tribunal process, since this matter pertains to the governance of the Roman Catholic Church and is within the exclusive jurisdiction of the Tribunal.

**CONCLUSION**

By my signature below, I the Petitioner hereby affirm that I have read the above Practices and Policies, clearly understand them, and fully agree to abide by all of its terms.

At this time, I have included the necessary documents and evidence: (Please check the list)

**Documents included:**

- Final civil decree of divorce

- C. THAT I AGREE TO THE ABOVE-STATED STATEMENTS AND WAIVER, AND
