NOTICE REGARDING SPOUSAL CONSENT

Once you become vested in your pension benefits, a survivorship benefit will be paid to your named beneficiary if you die prior to the commencement of retirement benefits at your normal retirement date.

Due to the fact that you are naming someone other than your spouse as your beneficiary, you **must** complete a spousal consent form. This form will assure that benefits are paid per your intentions. Completion of this form is required if you want to name anyone other than your spouse as beneficiary for purposes of the preretirement death benefit. You must also complete this form if you are not married and have no spouse.
