MASS INTENTIONS

3<sup>rd</sup>

SUNDAY OF EASTER

through a vigil of prayer during Exposition, we give witness to our belief that God is truly dwelling with His people. Our Parish is blessed in having Exposition and is responding to the words of St. Mother Teresa when she said, "In order to convert America and save the World, what we need is for every parish to come before Jesus in the Blessed Sacrament in Holy Hours of Prayer."

### **PARTICIPANTS NEEDED**

#### **MEALS FOR ST. GIANNA'S EDUCATIONAL PROGRAM STUDENTS**

As many of you know, St. Gianna's Center for Women's Health and Fertility Care™ provides education, support and training for the promotion of good reproductive health using the Creighton Model, which respects all human life and the self-worth of participants. The Creighton Model is a method entirely faithful to the tenants of our Catholic faith. Our parish has been a partner with the center, providing meeting space and meals during their education programs. Our assistance mitigates costs for both the center and participants. The next education program will be hosted here from May 17 through the 24. Meals are taken here at the parish and the participants are engaged in the program from morning until evening. To that end, are you able to provide a lunch one afternoon or supper one evening to be dropped off at the parish? These practical means of support allow us to share in building up the Church's teachings in the area of women's health and fertility, thus contributing to a culture of life. Your support is greatly appreciated by St. Gianna's and our parish clergy and staff. Please contact Karen by Friday, May 3rd at the parish office if you are able to help.

## Mass Intentions for 2019

There are still Masses available for 2019

"I have a huge passion for young adult ministry and I personally struggled with my transition into college as a Catholic. This was a topic that hit home and where I believed I could be a good example of a student who balances an active social life in college while still practicing my faith," said Sarah Bermudez, a student at Saint Leo University. #courageouslyliving
