Celebration of the Eucharist at 11 am  
Shroud Lecture and Q&A from 12:30 – 2 pm  
Lunch will be provided

Please register so we will have enough food!

*A free will offering will be accepted to defray the cost of the meal.*

Presenter Dr. Wayne Phillips will give a visual account of the science of the Shroud of Turin. He is a nationally certified speaker trained by the Vatican Apostolorem College on the Shroud and a member of the 137 International Shroud Scientist Group. Since 2011, Dr. Phillips has made over 183 presentations in the last eight years.

Some of the topics he includes are the appearance of the Shroud to the naked eye, 3D data, photo-negativity, the history of the Shroud, 1978 published results of American Scientist STURP analysis, refutation of Carbon-14 dating , and up to date discoveries on how the image was made.

Dr. Phillips appeared on EWTN in 2011 and 2015 for 10 total shows and is frequently heard on national radio. He is an approved speaker in the Diocese of St. Petersburg and on the faculty of the American Confraternity of the Holy Shroud.

Please join us for this unique presentation as we wrap up the Easter season.
