

## Guardian Ad Litem

The State of Florida Guardian ad Litem Program is a network of professional staff and community advocates partnering to provide a strong voice in court and positive systemic change on behalf of Florida's abused and neglected children. A Guardian Ad Litem who is court assigned to support a child may have access to school records (Paragraph 11b). Should a Guardian Ad Litem request an interview with a court assigned student or request to review school records, upon presentation of court documentation, he or she should be afforded the same courtesy as a parent within the scope of school policies and procedures unless the Court Order provides to the contrary.
