

## **Mandatory Trainings**

Newly hired teachers and other school/center personnel must participate in the following trainings before beginning in the classroom, supervising children or working at the school: Blood-Borne Pathogens, Harassment, and Safe Environment. In addition, teachers are required to attend an Ethics for Professional Teachers inservice.

Hourly employees are compensated for the time they are required to be at training if it is in addition to their regular work day.

The following trainings are available online at <https://stpetersburg.cmgconnect.org/>

Blood - borne pathogens

Safe Environment
