WHO SHOULD ATTEND?
The Leadership Roundtable Annual Meeting is designed to be interactive, informative, and dynamic. Nearly all participants could serve as keynotes in their own right, so this gathering serves as an opportunity to bring the best and brightest from the Church together with those who lead in business, finance, management, communications, academia, law, philanthropy, and numerous other sectors for candid dialogue and problem solving sessions to strengthen the Church we love. Past participants include Catholic cardinals and bishops, former heads of state, leaders of major charitable organizations, as well as pastors, professors, executive directors, and C-level executives. We especially encourage business leaders from Chicago and beyond to attend. If you know of other senior leaders who would contribute to the Annual Meeting, please pass along this brochure or encourage them to visit our website.
